

COVID-19 has profoundly impacted everyone. We don't know how long this crisis will last, or how deeply its impact will be felt by our community. We have all been asked to use social distancing in public places and limit gatherings.

Because of this, **EVENTS planned at the BNAC this spring and summer must be put on hold and may eventually be cancelled.** The activities affected include wedding ceremonies, concerts, kid's crafts on the patio, and Burchfield's Enchanted Forest.

The Park remains opened. Visitors are asked to adhere to social distancing guidelines while moving about the park.

Please Stay Safe and well. We hope to see everyone soon.
